

New way to work
and collect data
with Tuntlist App

A woman with dark hair, wearing a black patterned top and a gold chain necklace, is shown in a kitchen. She has her hand on her chin and is looking off to the side with a thoughtful expression. The background includes a white brick wall, a window with white curtains, and a wooden countertop with various items like a toaster and a small plant.

AT TUNTILIST

**we working hard to retain
employees information
as the move foward with
carrere**

Bringing companies and services together

**WHY
TUNTILIST**

WELL

**ONE APP FOR
LIFETIME
WORK**

1

WORK INFORMATION

Retaining work information is crucial for employees, companies, government records and service companies through our work life

2

COMMUNICATION

using tuntilist, we are closing the communication gap between employees, companies, to be able to share information and resources faster, securely and reliable

A woman with long brown hair, wearing a light purple blazer, is looking down, possibly at a laptop or a document. The background is a blurred office environment with a green wall and a plant. There are decorative blue shapes with white squiggly lines in the top left and bottom right corners.

3

CONNECTION

**connecting companies and
service companies to share
informatins together easy
and faster to facilitate work
processes**
